Cooperator Contract

This contract is between The Bee and Butterfly Habitat Fund (BBHF) and:

Cooperator Name: _____

Address: _____ City, State, Zip: _____

Phone: _____ Email: _____

Cooperator Contact: Same as Cooperator **OR** _____

Seed Shipping Address: Same as mailing address **OR** _____

Project length: 5 years Begin Date: November 1, 2021 End Date: November 1, 2026

Acres: _____ Honeybee Acres (half): _____ Monarch Butterfly Acres (half): _____

County: _____ UTM Northing: _____ UTM Easting: _____

Section: _____ Township: _____ Range: _____

On the contracted areas, the Cooperator agrees to:

1. Protect all contracted areas from unauthorized activities such as haying, mowing, shredding and grazing from April 1 to September 30 every year of the contract, with the exception of year 1 establishment mowing. Unauthorized activities will result in contract cancellation.
2. Plant the pollinator habitat seed mixtures provided by the BBHF by February 15th, 2022. 50% of the acres will be a honeybee mixture and 50% will be a Monarch Butterfly mixture. The mixes should be planted in separate areas – **DO NOT MIX** the seed.
3. Weed control on the contracted acres from April 1 to September 30 must be approved by the BBHF and will likely be necessary multiple times during the first spring of the contract.
4. Post two (2) project signs on each separate contracted area. Signs will be provided by the BBHF.
5. Send the BBHF at least two (2) pictures of the projects each year clearly showing the signage and vegetation.
6. Allow BBHF representatives to access the property and contract information necessary for monitoring, inspection, and project review purposes.
7. Renters or lessees of the property may only enter into agreements if such rights are granted with owner consent.
8. Violation of program guidelines and contract terms will result in contract cancellation and reimbursement of the seed cost to the BBHF.

On the contracted areas, the BBHF agrees to:

1. Provide a honeybee seed mixture to the cooperator for 50% of the contracted acres and provide a Monarch Butterfly seed mixture to the cooperator for 50% of the contracted acres. Seed mixtures are designed by BBHF biologists to maximize program and wildlife benefits and are to be planted in **two separate plantings**.
2. Provide two project signs per separate contracted area.
3. Provide technical assistance on site preparation, planting, and management of Seed a Legacy projects.

Either party may terminate this contract within 30 days with written notification. Modification to this contract must be made in writing and signed by both the Cooperator and the BBHF. If program funds are discontinued, the BBHF may void this contract.
